

Coming Soon:

135 FLIGHTS A DAY OVER OUR NEIGHBORHOOD?

Make sure your voice is heard!

Congressman Ellison RNAV Forum

You're invited to discuss our neighborhood concerns about implementing RNAV at MSP.

Tuesday – August 27, 2013

5:30-7:00PM

Washburn High School

201 W 49th St, Minneapolis, MN 55419

If you have any questions about this event, please call **612-522-1212**.

Why should you attend?

Without your help, this time next year there will be **135 flights a day** directly over the heart of SW Minneapolis and Edina.

This is the result of the Federal Aviation Administration in D.C. implementing RNAV technology, and unilaterally redirecting and focusing nearly 25% of all departures over our neighborhoods.

That many flights will...

- * Stop your conversations
- * Affect child's concentration
- * Lower your property values
